About Terra Cat:

Terra Cat is New Zealand's Caterpillar dealer.

Terra Cat is a business built on solid ground, with 90 years of experience as Gough Group with a national network of 18 facilities from Whangarei to Invercargill.

Terra Cat supply a full range of Cat equipment, services and technology solutions, powered by people to drive tailored business solutions to their customers so they are safe, sustainable, productive and profitable.

You will learn about the next gen features and you will walk through the component rebuild centre.

The technical evening will be followed by the IOQ AGM and refreshments.

CPD Available: Estimated 2 hours Please print the flyer and bring on the night to be stamped to confirm attendance for CPD evidence
