

Quarry Operator – Te Kuiti

Ravensdown Supreme Lime is expanding its team and we are looking for a Quarry Operator to join our crew at our Supreme Lime Quarry in Te Kuiti. Working in a Quarry environment, you will look after the effective, efficient operation of the processing plant and its machinery, ensuring production of high-quality lime.

You will enjoy safely run all our heavy machinery including, loaders, excavators, ATD dump trucks, and our highly automated processing plant.

We are a busy quarry so there will be seasonal shift work involved, but there is also the opportunity to work in different areas of the business through the year.

About You

You will have experience operating mobile plant or fixed processing experience and be able to come in and hit the ground running. Your positive attitude, initiative and willingness to get stuck in, will put you in a strong position for this role.

Essential Skills and Experience:

- A commitment to following all health and safety requirements
- Quarrying or Mining experience
- A valid NZ Full driver's license (Class 4 preferred but not essential)
- Reasonable physical fitness and able to lift heavy objects
- Mechanical skills and knowledge of basic repair work
- Mobile plant or fixed processing plant experience
- Previous Digger and Loader Experience in a quarry environment

Benefits

For all that you will bring to the role you can expect plenty of excellent staff benefits:

- Investment in training and development
- Career growth
- Health insurance, life and income protection insurance.
- 5% Superannuation

If you are ready to work with a great team and want the chance to work your way up the ladder with one of New Zealand's most respected, stable employers, then talk to us today.
